

What do you hear
when people are shopping for clothes?

"Too dark."

"Too harsh." "Something more 'springy'."

"Something showier?"

"What do you think?"

"Too young?"

"What do you think?"

"Brighter would be good."

"Something a little less cheesy."

"Good, but more my age..."

"Not for work."

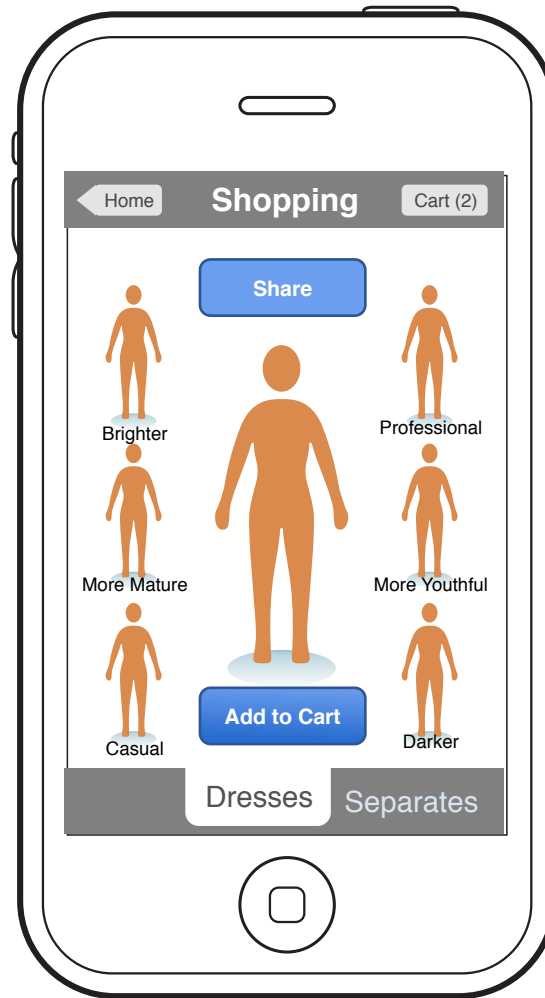

"No. Just no."

"It's shows too much skin."

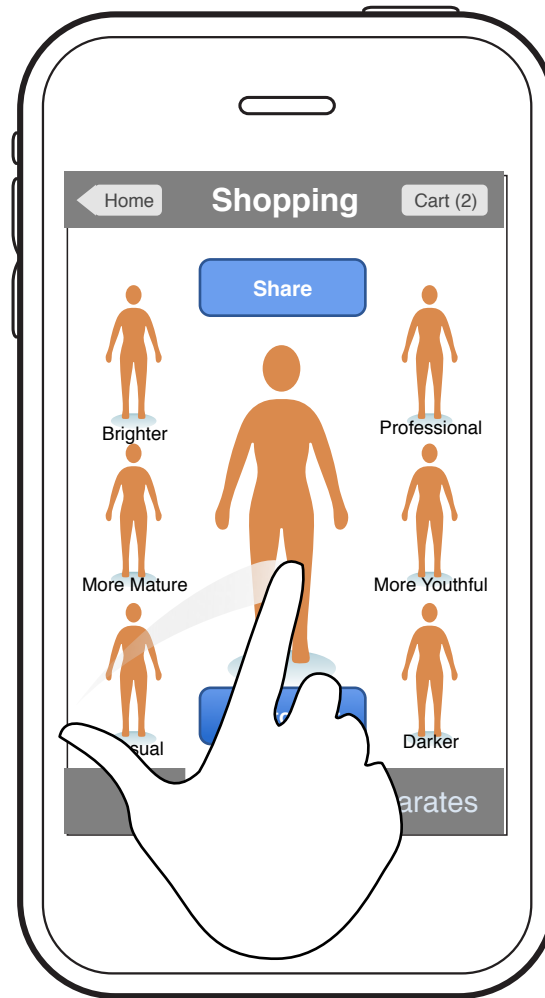

"Is it me?"

"Close, but more sophisticated."
