Reserve

Information Grouping:

The "Trip Summary" and "Rooms" and "Secrets Vine Cancun" all need to be combined under a single "Trip Summary" Box.

The info in the "Trip Summary" should be redistributed into a single box on the left hand side.*
 Time: (checkin, checkout, total nights.)

Location: Secrets Vine Cancun, Room Type

People: Number of people (by name when you know it), Adults, Children

Payment: Room Rate x Nights, Total, Discounts, Total Payments, Payment Method, Balance Due

The info about Covid should look temporary/emergency. (do we really offer free 14 day FREE Quarantine?)

Guest Information Form

Change GUEST INFORMATION to Guest Information.

The Form should be a single column with labels that is left aligned. Double columns acceptable for Name and Birthdate. For example:

Label

Example

Group keyboard entry and mouse entry items.

Requests

Reserve Button

Please put the Reserve button on the white of the form. Right now it looks exactly the same as a heading box.

*Really it should be a selectable, numbered progress bar across the top, but y'know, baby steps.

**IF we can auto-fill City and State/Province from the postal code around the world, then move Postal Code to just after Country and auto-fill the info we know.
